The University of Glasgow Library Collections are taking part in the ‘Color Our Collections’ event during 1-5 February organised by the New York Academy of Medicine (@NYAMNYC) and the Biodiversity Heritage Library (@BioDivLibrary).

We have created this colouring book using images from our special collections, business, theatre and university archive collections. It features lions, carpets, forests, dragons and even students! We invite you to enjoy colouring them in by printing out this book or picking up a paper copy from the University Library this week.

Share your creations with us on social media tag @uofglibrary and use the hashtag #ColorOurCollections.

Follow us on social media to find out more and be inspired by our collections:
